**AGENDA ITEM EXECUTIVE SUMMARY
Village Board Meeting
July 9, 2018**

Item Title: 2018 Fire Hydrant Sandblasting and Painting Program

Staff Contact: Victor C. Ramirez, P.E. Public Works Director

VILLAGE BOARD ACTION

Adopt a Resolution authorizing the Mayor to execute a contract for the 2018 fire hydrant sandblasting and painting services program between the Village of Roselle and Go Painters, Inc.

Executive Summary:

Part of the Village's Water System maintenance involves annually sandblasting and painting fire hydrants. Fire hydrants are an important part of the infrastructure which serves as a vital source of water to fight fires and also flush the system to preserve water quality. They are also quite visible throughout the Village and when in a deteriorated state, can have a negative appearance. Therefore, the Village budgeted \$32,000 in FY 2018 to address this issue.

The Village is a participating community with the Suburban Purchasing Cooperative (SPC). The SPC is a joint purchasing program representing over 140 municipalities in Northeastern Illinois from several Councils of Government, including the DuPage Mayors and Managers Conference, which leverages economies of scale to secure competitive pricing on supplies, vehicles, and construction services.

The SPC's low bidder for hydrant sandblasting and painting is Go Painters, Inc., Maywood, Illinois. They supplied pricing for 2017 and 2018. The SPC finds their work acceptable.

Staff recommends accepting Go Painters, Inc. for hydrant sandblasting and painting as acquired through the SPC joint purchasing program.

Implications:

Is this item budgeted? Yes. There is \$32,000.00 in the FY 2018 Water/Sewer Operating Fund Account # 51918120-61485.

Any other implications to be considered? None.
