

AGENDA ITEM # 7F

**AGENDA ITEM EXECUTIVE SUMMARY
Village Board Meeting
September 9, 2019**

Item Title: 2019 Sanitary Manhole Lining Project

Staff Contact: Karen R. Young, P.E. Public Works Director

VILLAGE BOARD ACTION

Adopt a Resolution authorizing the Mayor to execute a contract for the 2019 Sanitary Manhole Lining Project between the Village of Roselle and Redina Construction Company, Inc. in the amount of \$41,760.00.

Executive Summary:

Each year the Village budgets funds to address sanitary manhole deficiencies. The deficiencies are typically cracked/deteriorated manhole walls due to the corrosive effects of constant exposure to Hydrogen Sulfide gas. These deficiencies cause infiltration and inflow, which has an adverse and expensive impact on wastewater operations. Many times the sanitary manhole can be lined instead of completing removal/replacement or costly repairs. The lining process is far less expensive than open excavation and also does not require the extensive restoration of pavement or parkways.

This year's program will address the deficiencies on 14 badly deteriorated sanitary manholes located at various locations (See Location Map).

Five bids were received as follows:

- Redina Construction Company \$ 41,760.00
- RMS Utility Services \$ 44,100.00
- Midas Midwest, LLC \$ 44,460.00
- National Power Rodding, Corp. \$ 55,800.00
- Front Range Environmental, LLC \$ 74,700.00

Redina Construction Co. worked as a sub-contractor to Archon Construction Co., Inc. who was awarded the contract for the Central Avenue Twin-Culvert Lining Project. The lining project was completed last month and both contractors (Archon and Redina) performed well. Staff recommends that the bid be awarded to Redina Construction Company as the lowest, responsive, and responsible bidder.

Implications:

Is this item budgeted? Yes. There is \$200,000 in the FY 2019 Water/Sewer Operating Fund Account #51918292-71100.

Any other implications to be considered? None.

It shall be the responsibility of the Contractor to determine whether the Act is applicable and if so, to comply with all its terms and conditions. Any contractor having a question as to whether the Act is applicable shall consult with their own attorney to ascertain applicability. The Village shall not have any duty to inform the Contractor of the Act's applicability. If, however, the Village informs the Contractor that the Act is applicable, it shall be the Contractor's obligation to comply with all its terms and conditions unless the Contractor can establish to the satisfaction of the Village that the Act is inapplicable. If it is determined that The Act applies to this Agreement, all Contractors and subcontractors subject to its terms shall comply with all of its provision, including, but not limited to the following:

A. Prevailing Rate of Wages Applies. Not less than the current prevailing rate of wages (hourly cash wages plus amount for fringe benefits) in DuPage County, Illinois, as found by the Illinois Department of Labor or by a court of review shall be paid to all laborers, workers and mechanics performing work under this Agreement. As of June 1, 2019, the prevailing wage scheduled published by the Illinois Department of Labor automatically sets the applicable prevailing

rates and the Village of Roselle no longer approves an annual prevailing wage ordinance. The Illinois Department of Labor publishes the prevailing wage rates at <http://labor.illinois.gov>.

B. Revised Prevailing Rate of Wages. If the Department of Labor revises the prevailing rate of hourly wages to be paid by the public body, the revised rate shall apply to the Contractor. The Illinois Department of Labor revises the prevailing wage rates and the Contractor has an obligation to check the Illinois Department of Labor website for revisions to prevailing wage rates.

C. Certified Payroll. The Contractor and each subcontractor shall:

i. make and keep, for a period of not less than 5 years, records of all laborers, mechanics, and other workers employed by them on the project; the records shall include:

1.) each worker's name, address, telephone number when available, the last four digits of the worker's social security number, the worker's gender, the worker's race, the worker's ethnicity, veteran status, classification or classifications, the worker's gross and net wages paid in each pay period, the worker's starting and ending times of work each day, the hourly wage rate, the hourly overtime wage rate, the hourly fringe benefit rates, the name and address of each fringe benefit fund, the plan sponsor of each fringe benefit, if applicable, and the plan administrator of each fringe benefit, if applicable.

ii.) submit not later than the 15th day of each calendar month, in person, by mail, or electronically, a certified payroll to the Village, until the Illinois Department of Labor activates its certified payroll database, at which time the certified payroll shall only be submitted to the Illinois Department of Labor's database. The certified payroll shall consist of a complete copy of the records identified in paragraph C of Section 7. The certified payroll shall be accompanied by a statement signed by the Contractor or subcontractor which states that:

1.) such records are true and accurate;

2.) the hourly rate paid to each worker is not less than the general prevailing rate of hourly wages required by this Act; and

3.) the Contractor or subcontractor is aware that filing a certified payroll that he or she knows to be false is a Class A misdemeanor.

D. Inspection of Records. Upon seven business days' notice, the Contractor and each subcontractor shall make available for inspection and copying at a location within the state of Illinois during reasonable hours the records identified in paragraph C of Section 7 to the Village of Roselle, its officers and agents, and to the State of Illinois Director of Labor and his deputies and agents. The availability for inspection and copying shall be during reasonable hours that when considered with the location of the records and the location of the person providing the notice make it accessible by driving reasonable hours.

E. Bonds. In all Contractors' bonds the Contractor shall include a provision that will guarantee the faithful performance of the prevailing wage clause provided by this Agreement.

8. Control of Services. The Village shall not be responsible for or have control over the means, methods, techniques or procedures with respect to the performance by Contractor of the services in this Contract.

9. Termination of Contract. If the Village concludes that the Contractor is not performing in accordance with the terms set forth herein, the Village Administrator, or his designee, may issue a stop work order requiring an immediate cessation of all work except that necessary to secure project protection and safety. If the Contractor fails to remediate its breach within two business days the Village Administrator may terminate this Agreement. In the event of a termination, the Village shall pay Contractor for the services performed and expenses incurred as of the effective date of termination, less any sums attributable, directly or indirectly, to Contractor's breach. Stop work orders may be issued by the Village Administrator or his designee orally or by e-mail to the

Contractor. All oral stop work orders shall be confirmed by e-mail but e-mail shall not be a prerequisite to the stop work order becoming effective.

10. Recovery of Costs. In the event the Village is required to institute any proceeding or action, whether legal or equitable, to enforce any provision of this Contract, the Village shall be entitled to recover all costs and expenses incurred as a result of said action or proceeding, including reasonable expert witness and attorney fees.

11. Ownership of Documents & Release of Information. All records, reports, tests, studies, documents, data or other information, regardless of whether in written, electronic or other format, prepared or generated by Contractor in connection with performing the services provided for herein shall be regarded as the sole and exclusive property of the Village and shall not be utilized by Contractor in any manner on other projects or distributed to third parties without the prior written consent of the Village. In addition, any information provided by the Village to Contractor in connection with Contractor's performance of the services provided for herein and all information associated with Contractor's work product shall remain confidential and shall not be disclosed to any third party without the prior written consent of the Village.

12. FOIA. Contractor agrees to furnish all records related to this Agreement and any documentation related to the Village required under an Illinois Freedom of Information Act (ILCS 140/1 et/ seq.) (hereinafter, "FOIA") request within five business days after Village issues notice of such request to the Contractor. Contractor agrees to not apply any costs or charge any fees to the Village regarding the procurement of records required pursuant to a FOIA request except it may request and shall be paid fees authorized by the FOIA. Contractor agrees to defend, indemnify and hold harmless Village and agrees to pay all reasonable costs connected therewith (including but not limited to reasonable attorney's and witness fees, filing fees, and any other expenses) for Village to defend any and all causes of action, disputes, prosecutions, or conflicts arising from Contractors

failure to furnish all documentation related to a request within five days after the Village issues notice of request that Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, Contractor agrees to pay all cost connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to Village.

13. Integration. The provisions set forth herein represent the entire agreement between the parties and supersede all prior agreements, promises and representations, as it is the intent of the parties to provide for a complete integration within the terms of this Contract. This Contract may be modified only by a further written agreement between the parties, and no modification shall be effective unless properly approved and executed by each party.

14. Jurisdiction. Exclusive jurisdiction for any disputes under this Agreement shall be in the 18th Judicial Circuit Court, Wheaton, DuPage County, Illinois.

IN WITNESS WHEREOF, the parties have entered into this Contract as of the 9th day of September, 2019.
