Item Title: Lake Park High School Prom Fireworks

Staff Contact: Jeffrey D. O'Dell, Village Administrator

VILLAGE BOARD ACTION

Approve Lake Park High School District 108's request to host a brief fireworks show during its May 15 senior prom event.

Executive Summary:

Per Chapter 13, Article 1, Section 13.11 of the Village Code, the Village Board must approve all permits for an organization to host a fireworks show in the community. Representatives from Lake Park High School have contacted the Village requesting approval of a brief four-to-five-minute fireworks show to be held on the west campus grounds the evening of their senior prom event on May 15, 2021. They have contracted with Melrose Pyrotechnics, Inc. to launch the fireworks from the same location it does during the Village's traditional July 3 show. The Fire Department has received the permit application from Melrose Pyrotechnics and will be on site prior and during the event for safety precautions. Lake Park High School officials are prepared to socially distance the students from viewing areas in the parking lot and football field. The show is scheduled to take place between 8:30 pm and 8:45 pm.
