**AGENDA ITEM EXECUTIVE SUMMARY  
Village Board Meeting  
March 12, 2018**

**Item Title:** Annual Bulk Rock Salt Purchase

**Staff Contact:** Victor C. Ramirez, P.E. Public Works Director

**VILLAGE BOARD ACTION**

**Authorize the Public Works Director to sign and submit the Illinois Joint Purchase Requisition for bulk road salt.**

**Executive Summary:**

Last year the Village Board authorized the submittal of requisition forms and eventual purchase of bulk rock salt through both the Illinois Department of Central Management Services (CMS) and the DuPage County Procurement Services Division (DCPS). The salt was purchased on a 50/50 basis through both agencies. 550 tons were requested through both agencies.

**CMS (State) process:**

The Village is not eligible to renew its purchase this year and has to declare its commitment to purchase by March 31, 2018 and indicate the amount requested. Last year the price was \$48.08/ton.

**DCPS process:**

The DCPS does not have a renewal provision so they will re-bid on behalf of all the agencies interested in purchasing through them. Last year the price was \$51.49/ton. Their cut-off date is March 15, 2018.

Staff believes that the State CMS process could result in lower bids than the DCPS process due to the volume pricing advantage over the lesser volume County process. Unfortunately, we have to commit in advance of knowing either agency bid results. Staff recommends participating in the State purchase administered through the CMS for 1,300 tons.

**Implications:**

**Is this item budgeted?** Yes. The FY 2018 budget allocates \$64,000 for the purchase of bulk rock salt in account # 10917230-62171.

**Any other implications to be considered?** None.

## MEMORANDUM

TO: Local Governmental Units Authorized to Participate in Joint Purchasing

FROM: Lance Traynor, Strategic Sourcing Manager,  
Bureau Of Strategic Sourcing, Commodities & Equipment

DATE: March 05, 2018

SUBJECT: Deadline for Submission of Bulk Rock Salt ( Sodium Chloride )-( Road Salt )  
Requirements for the 2018 - 2019 Winter Season

### Action Required!

The State of Illinois, Bureau of Strategic Sourcing is planning to solicit bids for Rock Salt, Bulk for highway ice control ( Road Salt ) in May or June of 2018 for the 2018 - 2019 Winter Season.

Additionally, existing contracts ( PSD 4018455, 4018456, and 4018457 ) contain a renewal option at the sole option of the State. Therefore, if you are a participant within one of these contracts and if your community's intention is to renew, then this must be identified.

**If your unit of government desires to be included** in this year's contract re-procurement solicitation, or wishes to renew one of the existing contracts with a renewal option, **you are required to complete the copy of the attached Joint Purchasing Requisition Form** and return it to the Bureau Of Strategic Sourcing no later than 5:00 P.M. **April 01, 2018**. Your choice is to "SOLICIT BIDS" or "RENEW" or "not be an active participant" in the State's procurement efforts for the 2018 - 2019 Season. **Note: Timeframe for submission is firm, and will not be extended.**

### The "RENEW" Renewal Process - Utilize Table B

If your governmental entity is a participant under one of the following CMS Contracts - ( PSD 4018455, 4018456, and 4018457 ) - and upon receipt of your stated **desire to RENEW** with your updated tonnage quantity requirements, the State will work to finalize renewal on behalf of your governmental entity. Should you choose to renew, all Terms and Conditions shall remain the same as in the present contract, and you will be able to re-state your desired quantities ( with cap on quantity increase not to exceed 20.% more than your past year's quantity ). **Complete Table B** ( only ) to indicate your intent to renew and state your desired quantity requirements.

**Note that a Renewal Option is not available** under current contracts ( PSD 4018284, 4018285, and 4018286 ) and you should **complete Table A** (only) to indicate your intent to participant, and state your quantity requirements for re-establishment of competitively bid new contract(s) for the 2018 - 2019 Season.

## The "SOLICIT BIDS" ReBid Procurement Process - Utilize Table A

Should a renewal option not exist, or should you wish to participate in the State's bid process for the 2018 - 2019 Season, complete **Table A** (only) to indicate your intent to participate in the bid process, your minimum purchase requirement, and your desired bid quantities as 100.% of your contract commitment.

The State seeks to combine the needs of hundreds of governmental entities across Illinois into a single bid document in an effort to consolidate buying power, and to make it easier for vendors to respond to the individual needs of those hundreds of communities through a single bid response. Award is to the lowest responsible bidder meeting the terms and conditions of the bid solicitation. A single contract is completed for each vendor for all locations awarded through the competitive process. Thereafter, each governmental unit places its own orders with their vendor in compliance with the contract terms and conditions, and is responsible for direct payment to their contract vendor.

CMS does not set pricing, nor does CMS buy salt for resale. Vendors offer pricing under a competitive bid process, in accordance with the Illinois Procurement Code and Rules and the Illinois Joint Purchasing Act. CMS strives to utilize a consistent approach, to the greatest degree possible, in seeking to achieve a highly competitive bid process.

In the case of an emergency, efforts shall be made to have the vendor ship enough salt to aid affected local governmental units through the emergency situation.

## 2016 - 2018 Season Retrospective

A competitive bid process, essentially unchanged from previous years, was used in the solicitation to meet statewide requirements for over 850 individual participants, This season salt re-procurement did not incur the challenges experienced in the 2014-2015 season and all requirements were fulfilled at bid prices much lower than the weighted average in the prior season.

### This is an Opt-in Process

**Participation** in the State's procurement process for Rock Salt ( Road Salt ) is **voluntary**, an opt-in process. CMS has no method to ensure vendor participation, nor control pricing that vendor's offer in the competitive bid process.

Local Communities are not inhibited nor restricted from seeking bids independently should they choose to do so. However, **by indicating** through this requisition process **your desire to** either **"RENEW"** or to **"SOLICIT BIDS"** in the upcoming bid process, **you are committing your entity's participation**. The State will act in accordance with your submitted requisition.

We ask that you give immediate attention to this matter and allow reasonable mailing time or fax response submittal to ensure that we receive your salt request prior to the deadline. Be sure to include current contact information as requested, including a contact Email Address, for future correspondence. Return your Joint Purchasing Requisition via **Email** as stated below no later than **5:00 p.m. on April 01, 2018**. ( **Deadline is firm**, and will not be extended. )
