**CONTRACT FOR CONSTRUCTION SERVICES FOR 2018 WATERMAIN REPLACEMENT
PROGRAM**

THIS CONTRACT is made and entered into by and between the Village of Roselle, a body politic and corporate (hereinafter the "Village"), and Patnick Construction, Inc. (hereinafter the "Contractor").

WITNESSETH:

WHEREAS, the Village has aging water main along Walnut Street and Spring Street that will break periodically resulting in a disruption of water service to the residents and the Village wants to replace the old water main with new water main; and

WHEREAS, the Village has determined that it is reasonable, necessary and desirable to obtain the services of a contractor to complete the project; and

WHEREAS, Contractor desires to provide the necessary services upon the terms set forth herein.

NOW, THEREFORE, in consideration of the mutual promises, terms and conditions set forth herein, the parties agree as follows:

1. Scope of Services. Contractor shall perform the services described in its sealed bid proposal dated March 16, 2018, which is attached hereto and incorporated herein as Exhibit A. Contractor represents and warrants that it shall perform its services in a manner consistent with the level of care and skill customarily exercised by other contractors under similar circumstances at the time the services are performed. Where this Agreement is inconsistent with any provision of Exhibit A, this Agreement shall control.

2. Compensation. The total amount to be paid Contractor for the services under this Contract and expenses incurred in connection therewith is \$786,862.50. Contractor shall submit its

payment requests, and the Village shall pay contractor in accordance with the Local Government Prompt Payment Act.

3. Additional Services. Contractor shall perform only those services specified herein. In the event Contractor or the Village determines that additional services are required to complete the project, such additional services shall not be performed unless directed in writing by the Village. Payment for additional services shall be as mutually agreed upon by the parties.

4. Hold Harmless and Indemnification. Contractor shall defend, hold harmless and indemnify the Village, its officers, agents, employees and elected officials, from any loss, damage, demand, liability, cause of action, fine, judgment or settlement, together with all costs and expenses related thereto (including reasonable expert witness and attorney fees), that may be incurred as a result of bodily injury, sickness, death or property damage or as a result of any other claim or suit of any nature whatsoever arising from or in any manner connected with, directly or indirectly, the negligent acts, errors, omissions, or intentional acts or omissions of Contractor in performing the services provided for in this Contract or the negligent acts, errors, omissions or intentional acts or omissions of any agent, subcontractor or contractor hired to perform any service on behalf of Contractor. The obligation on the part of the Contractor to defend, hold harmless and indemnify the Village shall survive the expiration or termination of this contract.

5. Insurance. Unless otherwise authorized in writing by the Village Administrator, Contractor and each of its agents, subcontractors and contractors hired to perform any services provided for herein shall purchase and maintain during the term of this Contract insurance coverage which will satisfactorily insure Contractor and, where appropriate, the Village against claims and liabilities which may arise out of the services referred to in this Contract. Such insurance shall be issued by companies authorized to do business in the State of Illinois and approved by the Village. The insurance coverages shall include, but not necessarily be limited to, the following:

(A) Worker's Compensation insurance with limits as required by the applicable statutes of the State of Illinois. The Employer's Liability coverage under the Worker's Compensation policy shall have limits of not less than \$500,000 each accident/injury; \$500,000 each employee/disease; \$500,000 policy limit.

(B) Commercial general liability insurance protecting Contractor against any and all public liability claims which may arise in the course of performance of this Contract. The limits of liability shall be not less than \$1,000,000 each occurrence bodily injury/property damage combined single limit and \$2,000,000 aggregate bodily injury/property damage combined single limit. The policy of commercial liability insurance shall include contractual liability coverage and an endorsement naming the Village as an additional insured.

(C) Commercial automobile liability insurance covering Contractor's owned, non-owned and leased vehicles which protects Contractor against automobile liability claims whether on or off of the Village's premises with coverage limits of not less than \$1,000,000 per accident bodily injury/property damage combined single limit. The policy of commercial liability insurance shall include contractual liability coverage and an endorsement naming the Village as an additional insured.

(D) Umbrella or Excess liability insurance with limits of not less than \$5,000,000 per occurrence bodily injury/property damage combined single limit. The Umbrella or Excess coverage shall apply in excess of the limits stated in subparagraphs (B) and (C) above, and shall either include an endorsement naming the Village as an additional insured or provide "following form" coverage for the primary insurance.

(E) Pollution liability insurance in the amount of \$1,000,000 per occurrence. This applies to the Contractor's duties involving the use of, transportation, removal and/or disposal of hazardous materials or pollutants as specified in the bid documents.

6. Evidence of Insurance. Contractor shall furnish the Village with a certificate of insurance and, upon the Village's request, copies of all insurance policies and endorsements thereto evidencing the coverages stated above. The insurance certificates and policies shall provide that no cancellation or modification of the policies shall occur without at least 30 days' written notice to the Village. Contractor shall not commence any services under this Contract until evidence of the required insurance is received and approved by the Village. The Village shall be named on the policies required by Section 5 subsections (B) and (D) as additional insured. No policy shall require contribution by the Village's insurance.

7. Compliance with Laws. Contractor shall comply with all applicable federal, state and local laws, rules and regulations, and with all Village ordinances, rules and regulations now in force or hereafter enacted in the performance of the services required under this Contract. This contract calls for the construction of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Department publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The Department revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

8. Control of Services. The Village shall not be responsible for or have control over the means, methods, techniques or procedures with respect to the performance by Contractor of the services in this Contract.

9. Termination of Contract. If the Village concludes that the Contractor is not performing in accordance with the terms set forth herein, the Village Administrator, or his designee, may issue a stop work order requiring an immediate cessation of all work except that necessary to secure project protection and safety. If the Contractor fails to remediate its breach within forty eight (48) business hours the Village administrator may terminate this Agreement. In the event of a termination, the Village shall pay Contractor for the services performed and expenses incurred as of the effective date of termination, less any sums attributable, directly or indirectly, to Contractor's breach. Stop work orders may be issued by the Village Administrator or his designee orally or by e-mail to the Contractor. All oral stop work orders shall be confirmed by e-mail but e-mail shall not be a prerequisite to the stop work order becoming effective.

10. Recovery of Costs. In the event the Village is required to institute any proceeding or action, whether legal or equitable, to enforce any provision of this Contract, the Village shall be entitled to recover all costs and expenses incurred as a result of said action or proceeding, including reasonable expert witness and attorney fees.

11. Ownership of Documents & Release of Information. All records, reports, tests, studies, documents, data or other information, regardless of whether in written, electronic or other format, prepared or generated by Contractor in connection with performing the services provided for herein shall be regarded as the sole and exclusive property of the Village and shall not be utilized by Contractor in any manner on other projects or distributed to third parties without the prior written consent of the Village. In addition, any information provided by the Village to Contractor in connection with Contractor's performance of the services provided for herein and all information

associated with Contractor's work product shall remain confidential and shall not be disclosed to any third party without the prior written consent of the Village.

12. FOIA. Contractor agrees to furnish all records related to this Agreement and any documentation related to the Village required under an Illinois Freedom of Information Act (ILCS 140/1 et/ seq.) (hereinafter, "FOIA") request within five business days after Village issues notice of such request to the Contractor. Contractor agrees to not apply any costs or charge any fees to the Village regarding the procurement of records required pursuant to a FOIA request except it may request and shall be paid fees authorized by the FOIA. Contractor agrees to defend, indemnify and hold harmless Village and agrees to pay all reasonable costs connected therewith (including but not limited to reasonable attorney's and witness fees, filing fees, and any other expenses) for Village to defend any and all causes of action, disputes, prosecutions, or conflicts arising from Contractor's failure to furnish all documentation related to a request within five days after the Village issues notice of request that Village utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, Contractor agrees to pay all cost connected therewith (such as reasonable attorney's and witness fees, filing fees and any other expenses) to defend any denial of a FOIA request by the Contractor's request to utilize a lawful exemption to Village.

13. Integration. The provisions set forth herein represent the entire agreement between the parties and supersede all prior agreements, promises and representations, as it is the intent of the parties to provide for a complete integration within the terms of this Contract. This Contract may be modified only by a further written agreement between the parties, and no modification shall be effective unless properly approved and executed by each party.

14. Exclusive jurisdiction for any disputes under this Agreement shall be in the 18th Judicial Circuit Court, Wheaton, DuPage County, Illinois.

IN WITNESS WHEREOF, the parties have entered into this Contract as of the 26th day of
March, 2018.

PROPOSAL

TO THE OWNER, VILLAGE OF ROSELLE, ILLINOIS

1. Proposal of PATRICK CONSTRUCTION, INC.
(name and address of bidder)
431 PODLUN DR. UNIT B FRANKLIN PARK, IL 60131
NTESTA@PATRICKCONSTRUCTION.COM
(email address of bidder)

for the improvement described in the NOTICE TO CONTRACTORS.

2. In submitting this proposal, the undersigned declares that the only persons or parties interested in the proposal as principals are those named herein; and that proposal is made without collusion with any other person, firm or corporation.
3. The undersigned further declares that he has carefully examined the proposal, plans, specifications, form of contract and contract bond, and special provisions (if any), and that he has inspected in detail the site of the proposed work, and that he has familiarized himself with all of the local conditions affecting the contract and the detailed requirements of construction, and understands that in making this proposal he waives all right to plead any misunderstanding regarding the same.
4. The undersigned further understands and agrees that if this proposal is accepted, he is to furnish and provide all necessary machinery, tools, apparatus and other means of construction, and to do all of the work, and to furnish all of the materials specified in the contract, except such materials as are to be furnished by the Owner, in the manner and at the time therein prescribed, and in accordance with the requirements therein set forth, and is fully responsible for the construction means, methods, techniques, sequences and safety procedures and programs incident thereto.
5. The undersigned declares that he understands that the quantities mentioned are approximate only and that they are subject to increase or decrease; that he will take in full payment therefore the amount and the summation of the actual quantities, as finally determined, multiplied by the unit prices shown in the schedule of prices contained herein.
6. The undersigned further agrees that the unit prices submitted herewith are for the purpose of obtaining a gross sum, and for use in computing the value of extras and deductions; if there is a discrepancy between the gross sum bid and that resulting from the summation of the quantities multiplied by their respective unit prices, the latter shall apply.
7. The undersigned further agrees that if the Owner decides to extend or shorten the improvement, or otherwise alter it by extras or deductions, including the elimination of any one or more of the items, as provided in the specifications, he will perform the work as altered, increased or decreased at the contract unit prices.

8. The undersigned further agrees that the Owner may at any time during the progress of work covered by this contract order other work or materials incidental thereto and that all such work and materials as do not appear in the proposal or contract as a specific item accompanied by a unit price, and which are not included under the bid price for other items in this contract, shall be performed as extra work, and that he will accept as full compensation therefore the actual cost plus fifteen per cent (15%), the actual cost to be determined as provided in the specifications.
9. The undersigned further agrees to execute a contract for this work and present the same to the Owner within fifteen (15) days after the date of notice of the award of the contract to him.
10. The undersigned further agrees that he and his surety will execute and present within fifteen (15) days after the date of notice of the award of contract, a contract bond satisfactory to and in the form prescribed by the Owner, in the penal sum of the full amount of the contract, guaranteeing the faithful performance of the work in accordance with the terms of the contract.
11. The undersigned further agrees to begin work not later than ten (10) days after the execution and approval of the contract and contract bond, unless otherwise provided, and to prosecute the work in such manner and with sufficient materials, equipment, labor and safety precautions as will insure its completion within the time limit specified herein, it being understood and agreed that the completion within the time limit is an essential part of the contract. The undersigned agrees to complete the work within 90 calendar days after the date of the execution of the contract by both parties, or by _____ if this is a completion day contract, unless additional time shall be granted by the Engineer in accordance with the provisions of the specifications. In case of failure to complete the work within the time names herein or within such extra time as may have been allowed by extensions, the undersigned agrees that the Owner shall withhold from such sums as may be due him under the terms of this contract, the costs set forth in the specifications, which cost shall be considered and treated not as a penalty, but as damages due the Owner from the undersigned by reason of inconvenience to the public, added cost of engineering and construction observation, maintenance of detours, and other items which have caused an expenditure of public funds resulting from the failure of the undersigned to complete the work within the time specified in the contract.
12. Accompanying this proposal is a bank draft, bank cashier's check, certified check or bid bond, complying with the requirements of the specifications, made payable to: _____

Village of Roselle

The amount of the bond, check or draft is _____

_____ (\$ _____).

If the proposal and the undersigned shall fail to execute a contract and contract bond as required herein, it is hereby agreed that the amount of the check or draft substituted in lieu thereof, shall become the property of the Owner, and shall be considered as payment of damages due to delay and other causes suffered by the Owner because of the failure to execute said contract and contract bond; otherwise said check or draft substituted in lieu thereof shall be returned to the undersigned.

ATTACH BANK DRAFT, BID BOND, BANK CASHIER'S
CHECK OR CERTIFIED CHECK HERE

In the event that one check, bond, or draft is intended to cover two or more proposals, the amount must be equal to the sum of the proposal guarantees of the individual sections covered.

13. The undersigned submits herewith his schedule of prices covering the work to be performed under this contract; he understands that he must show in the schedule the unit prices for which he proposes to perform each item of work; that the extensions must be made by him; and that if not so done, his proposal may be rejected as irregular.
14. The undersigned firm certifies that it is not barred from bidding on this contract as a result of a conviction for the violation of State laws prohibiting bid-rigging or bid-rotating.
