**FOR IMMEDIATE RELEASE**

May 11, 2010

**Roselle Fire Department Offering CPR Course**

The Roselle Fire Department is offering a Heartsaver CPR/AED course on Wednesday, May 19, 2010, at the Fire Station, 100 E. Maple Ave., from 6:00 to 10:00 p.m. The course teaches all lay rescuers when to phone 9-1-1, how to administer CPR, how to use an automated external defibrillator (AED), and how to provide relief from choking.

This course targets people who are expected to respond to cardiovascular emergencies in the workplace, home or public locations, and be used for all lay rescuers who are required to obtain a credential documenting the completion of a CPR course that includes use of an AED.

The class size is limited to 14 people, and costs \$40, paid in advance. Fees are non refundable, but courses will be rescheduled in the event of an advanced cancellation. Each participant will receive a CPR course completion card and a key chain CPR shield. Additional courses will be scheduled this year. Call the Fire Department at (630) 980-2043 to register.
