FOR IMMEDIATE RELEASE

November 4, 2010

Roselle Fire Department Offering CPR Course November 11

The Roselle Fire Department is offering a Heartsaver CPR/AED course on Thursday, November 11, 2010, at the Fire Station, 100 E. Maple Ave., from 6:00 to 10:00 p.m. The course teaches all lay rescuers when to phone 9-1-1, how to administer CPR, how to use an automated external defibrillator (AED), and how to provide relief from choking.

This course targets people who are expected to respond to cardiovascular emergencies in the workplace, home or public locations, and can be used for all lay rescuers who are required to obtain a credential documenting the completion of a CPR course that includes use of an AED. Participants of this class will be certified by the American Heart Association in the Heartsaver AED course.

The class size is limited to 14 people, and costs \$40, paid in advance. Fees are non-refundable, but courses will be rescheduled in the event of an advanced cancellation. An additional course has been scheduled for January 13, 2011. Call the Fire Department at (630) 980-2043 to register.
