CITIZEN POLICE ACADEMY

WHAT IT IS

The Roselle Citizen Policy Academy, in the spirit of community oriented policing, is designed to help the residents of Roselle to understand how their police department works in their community. The Academy attempts to build a better relationship between members of the police department and the community in order to assist in our community policing efforts.

The Roselle Citizen Police Academy is an 11-week program designed to give the participants a working knowledge of the police department. It consists of a series of classes held one night a week for a three-hour duration. Classes are taught by our own police officers in their various areas of expertise. To ensure a valuable learning experience, class sizes will be limited. There is no cost to anyone who enrolls.

WHO CAN ATTEND

Applicants for the Roselle Citizen Police Academy must be at least 18 years of age and live or work in the Village of Roselle. Applicants must be of a good moral character and will be subject to a background check.

BENEFITS

Upon completion of the academy, participating citizens will be more informed and have a better understanding of what their police department can and cannot do. The police and the citizens benefit by meeting each other in a neutral, friendly setting. This educational and informative program allows citizens the opportunity to learn about the issues that affect law enforcement efforts in the Village of Roselle. As a result, police officers and citizens foster an improved relationship and work together to enhance the quality of life issues in our community.

WHAT IT IS NOT

The Roselle Citizen Police Academy is not designed to make applicants certified police officers. The classes are of an informative nature and are not intended to provide graduates with police authority or to act as police officers
