Item Title: **An Ordinance Repealing and Replacing the Sale and Purchase of Tobacco Products.**

VILLAGE BOARD ACTION

Pass an ordinance repealing and rescinding Section 9-343, of Article V, Division 11, for the sale and purchase of tobacco products of Chapter Nine of the Code of Ordinances of the Village of Roselle, and replacing it with a new Section 9-343.

Executive Summary:

This proposed Ordinance was discussed at the June 10, 2019 COW. There was no discussion and we are recommending this Ordinance be passed.

Since 2001, the Village of Roselle has had an ordinance prohibiting the sale of tobacco to persons under the age of 18, as well as prohibiting the possession of tobacco by persons under the age of 18, mirroring state law. The State of Illinois recently passed new legislation prohibiting the sale of tobacco products to persons under the age of 21. Included in the legislation was the removal of possession of tobacco products by any age, as well as language to add electronic cigarettes to the definition of tobacco. This new law is effective July 1, 2019. We looked at our current ordinance and felt it was most appropriate to repeal and replace the ordinance with new language. The new language raises the age of sale and purchase of tobacco to 21, removes possession at any age, and adds electronic cigarettes to the definition of tobacco. In addition, the Roselle Adjudicative Fine Table would need to be modified to remove fines for Possession of Tobacco by a Minor as it has been removed from the law.
