

AGENDA ITEM #4

**AGENDA ITEM EXECUTIVE SUMMARY
Committee of the Whole Meeting
July 8, 2019**

Item Title: **Donation and Distribution of Ring Incorporated Products**

Staff Contact: Steve Herron, Chief of Police

COMMITTEE OF THE WHOLE ACTION

Consider a staff recommendation to accept a donation from Ring Incorporated and distribute Ring products to the community.

Executive Summary:

Over the past several years, Ring Incorporated has sponsored conferences specifically for law enforcement personnel. Additionally, Ring Incorporated hosts a free interactive web page, which allows anyone to sign up and upload videos that will enhance the safety of others using this application. People utilizing the web page get associated to an area representing the neighborhood where they reside. The Roselle Police Department is an active member of the Ring Neighbors program and encourages residents and businesses to partner with the Department through its Community Accessible Recorded Evidence Sharing (CARES) Program.

Ring Incorporated donates Ring products, such as video doorbells and security cameras, to law enforcement agencies who attend sponsored conferences or partners to host a Ring Neighbors program. The Company encourages law enforcement to pass these products along at no cost to the community. Staff will be prepared to discuss its recommendations on how to administer the donations to the community as well as how to handle future donations from Ring Incorporated due to the Village's ongoing involvement in the Ring Neighbors program.

Implications:

Is this item budgeted? No.

Any other implications to be considered?
