

**AGENDA ITEM # 6**

**AGENDA ITEM EXECUTIVE SUMMARY  
Committee of the Whole Meeting  
March 9, 2020**

**Item Title:**            **Remove Existing Parking Signage and Authorize a No Parking Zone on E Granville West of Plum Grove**

**Staff Contact:**        Police Chief Steve Herron

**COMMITTEE OF THE WHOLE ACTION**

**Consider a staff recommendation to repeal the existing 4 hour no parking Ordinance and authorize a no parking at any time Ordinance for the north side of Granville from Plum Grove to 125 feet S/E of Dee Lane.**

**Executive Summary:**

In the past we had received a complaint from a resident who lives in the area of Granville west of Plum Grove about parking signs in the area and requested we review the signage in the area. Our current ordinance restricts parking on Granville from Plum Grove to Dee Lane on the both sides of the roadway, this is designated as a 4 hour parking area from 8:00 a.m. to 4 p.m., and this is in Chapter 10 Appendix V Section 3, No Parking at Designated Times. We were unable to locate any additional parking restrictions on Portwine Drive, Century Drive, Salt Creek Road, Lake Point Drive, Lake Shore Drive, E Golfview Drive or High Ridge Road.

Examination of this area reveal no parking at any time signs on the north side of Granville from Plum Grove adjacent to Medinah Middle School, 4 hour parking signs from 6 a.m. to 6 p.m. weekdays on the south side of Granville in this same area, and the same 4 hour parking signs randomly on Portwine Drive, Century Drive, Salt Creek Road, Lake Point Drive, Lake Shore Drive, E Golfview Drive High Ridge Road. We also located a no parking sign on Century Drive.

Due to the driveway configurations in this area, along with fire hydrants and our ordinances which restrict parking at or near intersections, there is very limited available on street parking in this area.

We are recommending no parking at any time signs be posted on the north side of Granville Avenue from Plum Grove to 125 feet south-east of Dee Lane. The remainder of the signage in this area appears unnecessary and from our records and citation checks unwarranted.

If this ordinance is approved, we will have Public Works assure the no parking signs posted meet the requirements of Manual on Uniform Traffic Control Devices and if necessary re-post the north side of E Granville Avenue to comply with this ordinance. We will then have the remaining signs removed.

**Implications:**
