Item Title: Purchase of Ford F-550 Chassis

Staff Contact: Mark W. Bozik, Fire Chief

VILLAGE BOARD ACTION

Adopt a resolution partially rescinding a previously approved purchase and confirming the purchase of a Ford F550 truck chassis from Friendly Ford in the amount of \$44,627.00.

Executive Summary:

At the January 11, 2021 Village Board meeting, the Board approved the purchase of a rescue truck from Maintainer Custom Bodies (the company was recently acquired by Ward Apparatus) to include a Ford F550 chassis with custom rescue body. During the pre-construction meeting with the Maintainer, it was identified by the committee that there was a discrepancy in the chassis requested. The committee quickly worked to correct the discrepancy and obtain three quotes for a 2021 Ford F-550 XLT chassis.

	2021 Ford F550 chassis
Friendly Ford	\$44,627
Sutton Ford / SPC Cooperative	\$45,159
Chastang Ford / Maintainer	\$49,016

Friendly Ford was the lowest bidder of the three vendors. Maintainer Custom Bodies has agreed to take delivery of the chassis without any additional charges. Purchasing the chassis separately allowed for the chassis discrepancy to be rectified, the chassis to be ordered prior to Ford's cut-off date, kept a purchase in Roselle, and reduced the cost of the purchase by \$482.00.

Implications:

Is this item budgeted? Yes. The FY 2021 Budget includes \$130,000 for the vehicle.

Any other implications to be considered? None
