Staff Contact: Tom Dahl, Director of Finance

VILLAGE BOARD ACTION

- 1. Motion to consolidate the Agenda Items 13C, 13D, 13E, 13F and 13G abating property taxes for the 2010B, 2012A, 2012B, 2016A and 2018 General Obligation Bonds – Alternate Revenue Sources.**
- 2. Motion for approval of the Abatement Ordinances represented as consolidated Agenda Items 13C, D, E, F and G.**

Executive Summary:

Each year, DuPage and Cook Counties automatically levy taxes for General Obligation Bonds-Alternate Revenue Sources unless the Village notifies them that sufficient funds are available to repay the debt. The Village has sufficient funds for the following FY 2021 debt payments; therefore the following taxes may be abated for the 2020 property tax year:

1. 2010B GO Bonds – Refunding 2002 Debt for the Police Facility Expansion
2. 2012A GO Bonds – Refunding 2004 Debt for the Police Facility Expansion
3. 2012B GO Bonds – Refunding 2004 Devlin Plant Improvements
4. 2016A GO Bonds – Partially refunding the 2008 GO Bonds
5. 2018A GO Bonds – Refunding 2010A Debt for the Foster Ave Street Program

Implications:

Is this item budgeted? The abatement of the 2020 Property Taxes was factored into the FY 2021 Budget. The property tax abatement related to the above debt totals \$971,900 (\$682,700 General Debt and \$289,200 Water and Sewer Debt).

Any other implications to be considered? None
