Item Title: Purchase of Police Department Vehicles

Staff Contact: Steve Herron, Chief of Police

VILLAGE BOARD ACTION

Adopt a resolution authorizing the purchase of 3 (three) 2021 Ford Explorers (Police Interceptor Utility) from Friendly Ford of Roselle in the in the amount of \$110,961.00.

Executive Summary:

The 2021 budget includes \$148,010 for the purchase and unfitting of three police vehicles in the police department. The police department utilizes the Ford Explorer Police Interceptor model as the front line patrol police vehicle. With the redesigned Ford Police Interceptor we will need to replace many of the internal aftermarket police products within the vehicles, all of those costs are included in the totals which have been budgeted.

This year we obtained pricing from three vehicle suppliers, those included Morrow Brothers Ford (Greenfield IL), who holds the Illinois State Contract, Currie Motors (Forest Park IL), who holds the contract for the Suburban Purchasing Cooperative, and Friendly Ford.

	2021 Ford Interceptor Explorer
Currie Motors	\$37,444.00
Morrow Brothers	\$36,270.00
Friendly FORD	\$36,987.00

As you can see from the enclosed chart, Morrow Brothers Ford had the lowest pricing and Friendly Ford came in \$717 more than Morrow Brothers Ford and \$457 less than Currie Motors.

Friendly Ford of Roselle has been a local business in Roselle for many years and is very involved within our community. Friendly Ford works very closely with our Public Works mechanics on complex automotive issues. The Village has purchased many vehicles from Friendly Ford as they have been able to match or beat the other State of County contracts,

but due to the lack of current Ford incentives, they are unable to purchase a Ford Interceptor for less than Morrow Brothers, due to limited purchase quantities. The \$717.00 difference is less than a .02% cost differential. For the reasons listed, staff recommends adopting a resolution which authorizes the purchase of three Ford Explorer Police Interceptors from Friendly Ford of Roselle in the amount of \$110,961.00.

We expect the delivery of these cars in late spring or early summer of 2021, once delivered they will have equipment installed and will be decalated as marked police vehicles.

Implications:

Is this item budgeted? Yes, \$148,010 has been budgeted in the FY2021 budget for the purchase of these cars and ancillary equipment that is installed after the vehicles are delivered.

Any other implications to be considered? None
