

AGENDA ITEM # 9A

AGENDA ITEM EXECUTIVE SUMMARY

Village Board Meeting

February 22, 2021

Item Title: Klein Water Recapture

Staff Contact: Caron Bricks, Village Planner

VILLAGE BOARD ACTION

Pass an Ordinance Establishing Terms, Charges, and Conditions for Recapture of a Water Main Extension on Sycamore Avenue (Klein Water Recapture).

Executive Summary:

At the September 28, 2020 meeting, the Village Board discussed Brock Klein’s request for a recapture for a water main extension he has already completed as well as a sanitary sewer main extension he plans for the spring.

The attached ordinance creates a recapture for the water main extension. It divides the total cost to extend the utility (\$20,000) between three property owners: 120 Sycamore (Brock Klein’s property), 7N405 Sycamore and 7N421 Sycamore. This amount includes the fire hydrant and extra valves the Village required the property owner to install as part of the extension.

Per the discussion from the September meeting, the Village will own this water recapture. The Village will pay Brock Klein \$13,333.32 from the water/sewer extension fund. This is not the full amount of the extension, as Mr. Klein will still pay his “fair share” of the extension costs. The property owners of 7N405 & 7N421 Sycamore would each owe \$6,666.67 upon annexation and connection to the water system (without any interest).

A sewer recapture ordinance will be presented for consideration in the future as Mr. Klein prepares for that extension to be completed.

Implications:

Is this item budgeted? No, but as of December 2020, \$118,228 is available in the Water and Sewer Extension Fund.

Any other implications to be considered? No.

Ordinance

ORDINANCE 2021-
AN ORDINANCE ESTABLISHING TERMS, CHARGES, AND CONDITIONS FOR
RECAPTURE OF A WATER MAIN EXTENSION ON SYCAMORE AVENUE

Klein Water Recapture

WHEREAS, property on Sycamore Avenue in Roselle, Illinois is subject to an annexation agreement approved by Ordinance 2017-3934 hereinafter (2017-3934) which required its owner Brock Klein, hereinafter the (“Owner”) to connect to Village water as a condition of annexation and,

WHEREAS, the Owner extended the water per #2017-3934 to his property; and,

WHEREAS, the engineering and construction of the extension to the Village of Roselle water system (hereinafter “Improvements”) per 2017-3934 is depicted on the Klein Water Recapture Area Map that is attached hereto and incorporated herein as if fully set forth as Exhibit A; and,

WHEREAS, the Village of Roselle (hereinafter “Village”) agreed to adopt a recapture ordinance for Owner to recapture the benefits other properties will receive because of the Improvements upon connection; and,

WHEREAS, the Improvements, which include the Owner’s property, were made at a total cost to the Owner of twenty thousand dollars and zero cents (\$20,000.00); and,

WHEREAS, the Village Engineer has determined certain properties abutting Sycamore Avenue may benefit from the Improvements if connected to those Improvements, which properties are identified in Exhibit B, which is attached hereto and incorporated herein as if fully set forth; and,

WHEREAS, the Village Engineer has determined the equitable share of the cost of said Improvements that shall be paid by the property owners receiving benefits from the improvements upon pulling a permit for connection to the improvements, are set forth in Exhibit B; and,

WHEREAS, the Village is authorized to adopt an ordinance recapturing the cost of said Improvements pursuant to the Illinois Municipal Code (65 ILCS 5/9-5-1).

NOW, THEREFORE, BE IT ORDAINED, by the President and Board of Trustees of the Village of Roselle, an Illinois municipal corporation located in DuPage and Cook Counties, Illinois, as follows:

SECTION 1: The foregoing recitals are incorporated herein as findings, substantive provisions, and covenants as fully set forth.

SECTION 2: The Corporate authorities of the Village accept and adopt the Village Engineer's approval of the Improvements, as described in the recitals, which and which are hereby accepted as part of the water system of the Village of Roselle.

SECTION 3: That the Village Engineer's determination of which properties abutting Sycamore Avenue will benefit from the Improvements, and those properties permanent index numbers, and common addresses are depicted in Exhibit A, which is attached hereto and incorporated herein as if fully set forth.

SECTION 4: That the actual costs of all the Improvements, as determined and approved by the Village Engineer, are twenty thousand dollars and zero cents (\$20,000.00). The Corporate Authorities of the Village find that two thirds of the actual costs are reasonable recapture fees based on the Village Engineer's computation and due to the fact that the Owner will not recapture his costs of the improvements for his own Property.

SECTION 5: That the sum owed by wo (2) parcels receiving benefits, upon connection from the Improvements, has been determined by equally splitting the total cost of the of the Improvement between the three (3) benefitting properties and deriving from that split the total lineal front foot cost for each benefited property, of six thousand, six hundred and sixty-six dollars and sixty-seven cents (\$6,666.67). which shall be paid by each benefiting property upon pulling a permit to connect to the Improvements. This amount, as well as the permanent index numbers and the common addresses of the benefited properties are depicted on the Klein Water Recapture Spreadsheet that is attached hereto and incorporated herein as if fully set forth as Exhibit B. The Corporate Authorities of the Village find that the per front footage computation is reasonable based on the Village Engineers determination.

SECTION 6: Upon adoption of this ordnance the Village shall pay the Owner the total sum of Thirteen Thousand Three Hundred Thirty-three dollars and Thirty-two cents, (\$13,333.32) representing the full value of the combined recapture payments. In order to secure such payment, the owner shall fully release any and all rights to any recapture payments from the benefited properties for the Improvements and assigning such

recapture payments to the Village. The Owner's signature on this ordinance, and receipt of such payment, shall be fully adequate consideration for such release and assignment. All recapture payments made per this ordinance shall be made to the Village and shall be the exclusive property of the Village.

SECTION 7: The amount of the recapture costs, shown in Exhibit B to be paid by the owners of property receiving benefits from the Improvements upon connection, shall remain in full force and effect until July 31, 2021. Commencing on August 1, 2021, and on August 1 of each calendar year thereafter ("anniversary date"), for each year intervening between August 1, 2021 and the date of payment, the amount of the payments for the recapture costs shall increase by three percent (3%) simple interest until August 1, 2026. No additional interest increases shall be imposed after August 1, 2026, at which time the final, fixed recapture costs to be paid for each of the benefitted properties shall be seven thousand six-hundred sixty-six dollars and sixty-seven cents per benefitted property.

SECTION 8: The owners of properties legally described in Exhibit C that receive benefits from the Improvements upon connection, may make payment of the recapture fees per the options outlined in Exhibits B and D, which are attached hereto and incorporated herein as if fully set forth.

SECTION 9: That upon connection, the recapture fees, outlined in Exhibit B, shall be paid to the Village of Roselle in conformance with this Ordinance.

SECTION 10: Upon passage, approval, and publication of this Ordinance as required by law, as well as upon execution of this Ordinance by Brock Klein, the Clerk of the Village shall record this Ordinance, together with all exhibits, in the Office of the Recorder of the County of DuPage against the properties receiving benefits from the Improvements.

SECTION 11: This Ordinance shall be binding upon the property owners, their heirs, beneficiaries, successors, contractor purchasers, and assigns.

SECTION 12: If any part or portion of this Ordinance is declared invalid by a court of competent jurisdiction, such partial invalidity shall not affect the remainder of this Ordinance. If any part of portion of this Ordinance is declared invalid, then the Village shall undertake reasonable legislative steps to correct such invalidity.

SECTION 13: All ordinances and parts of ordinances in conflict or inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such conflict or inconsistency.

SECTION 14: This Ordinance shall be in full force and effect from and after its passage, approval, publication in pamphlet form as provided by law, and execution of this Ordinance by Brock Klein and the President of the Village.

LOT 57 IN BRANIGAR'S MEDINAH WOODS, BEING A SUBDIVISION OF THE WEST HALF OF THE NORTHEAST QUARTER AND THAT PART OF THE WEST HALF OF THE SOUTHEAST QUARTER LYING NORTH OF THE CHICAGO, MILWAUKEE AND ST. PAUL RAILROAD IN SECTION 2, TOWNSHIP 40 NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED JUNE 11, 1952 AS DOCUMENT 653897, IN DUPAGE COUNTY, ILLINOIS.

EXHIBIT D: Terms, Charges & Conditions for Repayment of the Klein Water Recapture

I. Direct Recapture Costs for Improvements to Village's Water System

\$20,000.00

II. Participation & Payment Options

A. Payment Before August 1, 2021

1. Requires a lump sum payment, or a payment per Subsection II(E) below, of the recapture costs on or before July 31, 2021.

B. Connection before August 1, 2021

1. Requires a lump sum payment, or a payment per Subsection II(E) below of the recapture costs on or before July 31, 2021.
2. Owners of properties subject to the Klein Water Recapture that are outside the Village's corporate limits must request and receive approval from the Corporate Authorities, at their sole discretion, for annexation or pre-annexation, whichever applies.
3. Owners must meet obligations and/or pay any other pertinent fees imposed by the Village, which are applicable to or required by Village Ordinances or Resolutions, including but not limited to, those obligations and fees required by an annexation or pre-annexation agreement. (Examples of other pertinent fees include annexation, license, permit, inspection, recording, tap-on, and water meter fees. Examples of obligations include constructing a public sidewalk).

C. Payment On/After August 1, 2021

1. Requires a lump sum payment, or a payment per Subsection II(F) below, of the recapture costs as outlined in II(C)(2) below.
2. Commencing on August 1, 2021 and on every August 1 of each calendar year thereafter, for each year intervening between August 1, 2021 and the date of payment, the amount of the payments for the

recapture costs shall increase by three percent (3%) simple interest until August 1, 2026. No additional interest increases shall be imposed after August 1, 2026, at which time the final, fixed recapture costs per benefitting property shall be seven thousand six hundred and sixty-six dollars and sixty-seven cents (\$7,666.67).

D. Connection On/After August 1, 2021

1. Requires a lump sum payment, or a payment per Subsection II(F) below, of the recapture costs as outlined in Subsection II(C)(2) above.
2. Owners of properties subject to the Klein Water Recapture that are outside the Village's corporate limits must request and received approval from the Corporate Authorities, at their sole discretion, for annexation or pre-annexation, whichever applies.
3. Owners must meet obligations and/or pay any other pertinent fees imposed by the Village, which are applicable to or required by Village Ordinances or Resolutions, including but not limited to, those obligations and fees required by an annexation or pre-annexation agreement. (Examples of other pertinent fees include annexation, license, permit, inspection, recording, tap-on, and water meter fees. Examples of obligations include constructing a public sidewalk).

E. Extended Recapture before August 1, 2021

1. Requires a payment of no less than ten percent (10%) of the recapture costs on or before July 31, 2021 as well as a one hundred dollar (\$100) processing fee.
2. The remaining ninety percent (90%) balance must be paid in monthly or semi-annual installments for a period not to exceed five (5) years at an interest rate of five percent (5%) on the day of execution of the installment note discussed in Subsection II(E)(3) below.
3. The owner(s) of the property subject to the Klein Water Recapture must execute an installment note with a judgement clause requiring full payment of any remaining balance upon sale of the property. The

Clerk of the Village will record the installment note in the office of the Recorder of the County of DuPage at the expense of the owner(s).

F. Extended Recapture On/After August 1, 2021

1. Requires a payment of no less than ten percent (10%) of the recapture costs per Subsection II(C)(2) as well as a one hundred dollar (\$100) processing fee.
2. The remaining ninety percent (90%) balance must be paid in monthly or semi-annual installments for a period not to exceed five (5) years at an interest rate of five percent (5%) on the day of execution of the installment note discussed in Subsection II(F)(3) below.
3. The owner(s) of the property subject to the Klein Water Recapture must execute an installment note with a judgement clause requiring full payment of any remaining balance upon sale of the property. The Clerk of the Village will record the installment note in the office of the Recorder of the County of DuPage at the expense of the owner(s).
