Item Title: Purchase of Public Works Vehicles – Water Van

Staff Contact: Karen R. Young, P.E. Public Works Director

VILLAGE BOARD ACTION

Adopt a resolution authorizing the purchase of a 2022 Ford Transit Connect Van from Friendly Ford of Roselle in the amount of \$34,443.00.

Executive Summary:

The 2021 budget includes \$30,000 for the purchase of a 2022 Ford Transit Connect Van in the Public Works Department. This will replace the existing 2011 Ford Transit Connect Van in the Water Division that currently has 89,359 miles. This van is outfitted with the electronic equipment for remotely reading water meters while driving down the street. In addition, this van is equipped for water service calls and includes the tools and supplies needed to read, replace and repair water meters, repair water leaks, turn on/off water, etc.

The proposed replacement vehicles are available through the Sourcewell – National Purchasing Cooperative and from Friendly Ford in Roselle. The total cost includes the van in the amount of \$25,466.00 and the up-fitting of the van with shelving, ladder rack and compartments to safely store the tools and equipment that will be purchased by Friendly Ford through Sauber in the amount of \$8,977.00. Below is a chart comparing the total purchase prices:

	2022 Ford Transit Connect Van
Sourcewell	\$35,891.38
Friendly FORD	\$34,443.00

Friendly Ford of Roselle has been a local business in Roselle for many years and is very involved within our community. Friendly Ford works closely with our Public Works mechanics on complex automotive issues. The Village has purchased many vehicles from Friendly Ford and has been satisfied with the services provided. For these reasons, staff recommends purchasing the vehicles from Friendly Ford.

Implications:

Is this item budgeted? Yes. The FY 2022 Budget includes \$30,000 in the water sewer equipment replacement fund (5291550-65120).

Any other implications to be considered? The existing 2011 Ford Transit Connect Minivan Unit #405 will be sold at auction.
