**AGENDA ITEM EXECUTIVE SUMMARY**

**Village Board Meeting**

**March 14, 2022**

**Item Title: Purchase of 2023 Toyne Fire Engine**

**Staff Contact: Mark W. Bozik, Fire Chief**

**VILLAGE BOARD ACTION**

**Adopt a resolution affirming the purchase of a Toyne Fire Engine from Dinges Fire Company of Amboy, IL in the amount of \$688,067.98 subject to purchase contract approval by the Village Attorney.**

**Executive Summary:**

The 2022 Budget includes \$750,000 for the replacement of the 2003 E-One fire engine. The current fire engine is out of warranty, lacks many safety features standard to a current fire engine and is experiencing significant rust on the frame rails. A committee was assembled and developed a comprehensive specification packet for the new fire engine to meet the needs of Roselle. A Request for Proposal (RFP) was sent to 15 fire engine manufacturers. Sealed proposals were received from 8 manufacturers and opened on March 9<sup>th</sup>.

	2023 Custom Fire Engine
Toyne	\$688,067.98
Sutphen	\$692,503.00
Spartan ER	\$733,832.00
Alexis	\$743,058.00
Marion	\$772,942.00
Pierce	\$780,000.00
E-One	\$785,150.00
Rosenbauer	\$791,277.00

Toyne, Inc. through Dinges Fire Company was the lowest proposal of the eight vendors. The committee has viewed completed Toyne fire engines and has interviewed several departments that are operating Toyne fire engines. The committee and Public Works Fleet division recommend the purchase of the Toyne fire engine. When received, the Toyne engine will become the primary response engine. The current 2015 engine will move to reserve status and the 2003 engine will be declared surplus. Anticipated delivery of the engine is June of 2023.
