AGENDA ITEM EXECUTIVE SUMMARY

Village Board Meeting

April 25, 2022

Item Title: Skid Steer Loader Purchase

Staff Contact: Karen R. Young, P.E. Public Works Director

VILLAGE BOARD ACTION

Adopt a resolution authorizing the purchase of a skid steer loader and accessories from Atlas Bobcat in the amount of \$60,734.00 through the joint purchasing cooperative Sourcewell.

Executive Summary:

The replacement of a 2011 Skid Steer, which is utilized by the Street and Water Divisions, is scheduled for Fiscal Year 2023. The Village also has a 1993 Skid Steer that is used in the Wastewater Division. Due to the ongoing supply chain issues with vehicle/equipment purchases and the current availability of this equipment, staff recommends the purchase of a skid steer loader and accessories be completed in Fiscal Year 2022. The 2011 Skid Steer will be transferred to the Wastewater Division replacing the 1993 Skid Steer.

Recently the 1993 Skid Steer has experienced several hydraulic and other mechanical issues that will require over \$10,000 in repairs, which is more than the value of the 18-year-old existing equipment. As an alternative, staff investigated pricing and availability for the replacement of the 2011 Skid Steer. The proposed equipment is currently available through the Sourcewell – National Purchasing Cooperative from Atlas Bobcat in Elk Grove Village. The total cost includes the purchase of the skid steer loader, angle broom and sweeper bucket and the trade in of the existing skid steer and accessories.

Implications:

Is this item budgeted? As has been previously communicated, six vehicles that were ordered in 2021 and expected to be delivered in 2022 were cancelled by the manufacturer including five in the Public Works Department. The Village reflects the expenditure in the fiscal year vehicles/equipment are delivered. As a result, the Fiscal Year 2022 Equipment Replacement Fund reflects adequate funding for the purchase of the skid steer.

Any other implications to be considered? None
