

AGENDA ITEM # 13C

AGENDA ITEM EXECUTIVE SUMMARY

Village Board Meeting

June 13, 2022

Item Title: Authorization of Payment to Bloomingdale Township for the Resurfacing of Village Streets

Staff Contact: Kristin Mehl, Assistant Director of Public Works/Village Engineer

VILLAGE BOARD ACTION

Adopt a Resolution authorizing approval for payment to Bloomingdale Township for the resurfacing of Village streets in an amount not to exceed \$36,000.

Executive Summary:

Bloomingdale Township has bid its annual street work and as part of their planned program are completing work on Crest, Hawthorne and Poplar, all of which have areas that are the responsibility of the Village based on annexations (see attached map). The Township has asked the Village if it wanted the Township to complete the resurfacing work under their contract and then the Village would reimburse the Township. These sections of roadway do warrant replacement and it would be advantageous to complete the work at the same time as the other sections to have a better end product.

A similar process was done last year along Rosedale Avenue in coordination with both Bloomingdale Township and the Village of Bloomingdale. The Township provided the Village with the bid prices the week of May 23rd, Staff put together the attached estimated cost based on the unit prices and field measurements. The estimated cost is \$36,000. Comparing the Village Street Improvement Program pricing with the Township's pricing results in very similar costs with the Village's program resulting in a slightly higher estimated cost.

In order to complete the improvements with the rest of their work, the Township sought Village approval to begin the work the week of June 6th. Village staff and the Village Administrator authorized them to complete the work prior to Village Board approval. Staff recommends authorization for payment once the work is completed, and a final invoice is received.

Implications:

Is this item budgeted? No, however the Village has American Rescue Plan Act (ARPA) funds available to cover the expense.

Any other implications to be considered? None.

RESOLUTION NO. 2022-

A RESOLUTION AUTHORIZING APPROVAL FOR PAYMENT TO BLOOMINGDALE TOWNSHIP FOR THE RESURFACING OF VILLAGE STREETS IN AN AMOUNT NOT TO EXCEED \$36,000

WHEREAS, the corporate authorities of the Village of Roselle deem it in the best interests of the Village to approve a payment to Bloomingdale Township for the resurfacing of Village streets as part of the Bloomingdale Township Annual Road Program; and

WHEREAS, the Village has sufficient available American Rescue Plan Act (ARPA) funds; and

WHEREAS, both parties agree to the limits of work and unit prices set forth in Exhibit A; and

WHEREAS, Bloomingdale Township will submit a final invoice to the Village of Roselle for the actual quantities of work completed based on the approved unit prices;

NOW, THEREFORE, be it resolved by the Mayor and Board of Trustees of the Village of Roselle that the Finance Department is hereby authorized to process the approval for payment to Bloomingdale Township upon the receipt of a final invoice.

ADOPTED this 13th day of June, 2022
