Mayor Pileski said he would solicit the board's opinion in Other Business (Item 18A).

- b) Terry Erickson of Roselle, IL expressed his mistrust of the Village's Administration as he has attempted to work with the Village to improve pedestrian safety, but feels that the Village has done nothing to resolve the problems.

Mayor Pileski noted that Public Works has been working tirelessly with DuPage, Cook, and the State of Illinois to coordinate efforts for improved roadways and acknowledged the time it takes to work with these authorities, who – like Roselle – operate under both financial and time constraints.

17) Mangy Dawg Loan Agreement & Video Gaming Discussion presented by Village Administrator Jason Bielawski

At its meeting on November 8, 2021 the Village Board directed staff to draft an agreement providing a loan in the amount of \$100,000 to cover costs associated with installing fire sprinklers at Mangy Dawg. The loan terms included zero interest and repayable within 24 months. Loan payments would be made directly to the vendors completing the fire sprinklers installation project. The owners approached staff earlier this year providing revised estimates that show the cost for the project is now about \$200,000. Staff has been working with the owners on the review and approval process for the fire sprinkler project, which has now received all state and Village approvals. Based upon the cost of the project increasing to \$200,000, the owners requested the Village Board consider amending the initial loan terms. Specifically, the owners are requesting that the Village Board consider issuing them a Class T liquor license without having to wait the one-year requirement set forth in Village Code. A Class T liquor license allows for video gaming. Should the Village Board want to issue the owners a Class T liquor license it must amend the Alcoholic Liquor Control ordinance.

KEY:

Roselle Red – Ordinance

Light Green – Resolution

There was consensus from the board on (1) the loan amount, (2) utilizing video gaming revenue as the mechanism for repayment, and (3) the repayment terms. The board also agreed on amending the Alcoholic Liquor Control license as long as it maintains that smaller video gaming cafes must still satisfy the one-year waiting requirement. Staff was advised to move forward as directed.

18) Other Business

- a) Mayor Pileski asked to revisit the public comment from Ty Cobb (*Item 5A*).

There was consensus from the board that they are open to repealing Roselle's raffle duration and rolling back to the State law by the end of the year.

19) Executive Session

None.

20) Adjourned Village Board Meeting

Moved by Trustee Trejo, seconded by Trustee Domke
Upon voice vote: **MOTION CARRIED** at 7:28 PM.

Submitted on this 13th day of September, 2022.
