Staff Contact: David Pileski, Mayor

OLD BUSINESS

VILLAGE BOARD ACTION:

Appointment of the following to the newly combined Planning and Zoning Commission, effective February 27, 2023:
Hiren Patel, Chair – Six Year Term (expires 2029)
Terry Walloch, Vice-Chair – One Year Term (expires 2024)
Jason Wurtz – Two Year Term (expires 2025)
Nimish Jani – Three Year Term (expires 2026)
Brian Boos – Four Year Term (expires 2027)
Lydia Galante – Five Year Term (expires 2028)
Joseph Lewis – Seven Year Term (expires 2030)

Executive Summary:

As part of the update of the Zoning Ordinance, the Planning & Zoning Commission and Zoning Board of Appeals have been combined into one commission that will hold and consider all zoning related requests. This change will streamline the process and create a more engaged commission.

As part of this, Mayor Pileski requested the resignation of all current members of P&Z and ZBA and asked for all interested in serving on the new commission to submit their interest. The above seven (7) members submitted their interest. The length of terms is staggered at first to ensure that members are reappointed at different times to ensure full membership of the commission. The terms assigned to each new member was assigned at random.

Several long-term volunteers that have chosen to step back from the P&Z or ZBA will be recognized at a future Board meeting for their dedication and service to Roselle.
