Citizen Police Academy

Roselle Police Department

What is it...

The Roselle Citizen Police Academy, in the spirit of community-oriented policing, is designed to help the residents of Roselle to understand how their police department works in their community. The Academy attempts to build a better relationship between members of the police department and the community in order to assist in our community policing efforts.

The Roselle Citizen Police Academy is an 11-week program designed to give the participants a working knowledge of the police department. It consists of a series of classes held one night a week for a three-hour duration. Classes are taught by our own police officers in their various expertise. To ensure a valuable learning experience, class sizes will be limited. There is no cost to anyone who enrolls.
